reprographics + digital printing + display print + scanning + specialist

document management + software solutions + support

quality + consistency

Callprint is a high quality reprographics service provider, always expanding into new technology whilst rigorously maintaining its standards. The company is sure to remain a leader in the reprographics industry.

With an extensive list of locations and our partnership with ReproMax, Callprint can offer a fast efficient reprographic service throughout the UK, North America and much of Europe. Additionally we have 24 hour offices, and can arrange weekend cover when needed. Callprint also offer a free pick-up & delivery service to our account holders.

At Callprint, we always go the extra mile for our customers. We believe that good service and positive relationships are the keys to building brand loyalty. **'together we make it happen'.**

b/w printing

Processing high-volume prints at pace is key to B/W copying. Our state of the art machinery is capable of printing 110 A4 pages per minute from your hard copy originals or digital files.

- + 110 A4 pages per minute
- + Single or double sided
- + Inline finishing
- + Variety of stocks available

colour printing

We can offer up to 60 colour impressions per minute from hard copy or your electronic originals, and with the added bonus of double sided A3 fully-bleed images.

- + 60 A4 pages per minute
- + Double sided
- + Consistent accurate colour
- + Variety of stocks available

large format colour

Colour originals up to 1.2m wide and 6m long can be copied in a single pass, with output up to 1.5m wide and 6m long from a single sheet, with high colour fidelity and the ability to archive, takes this service into a new dimension.

- + Photo quality prints
- + Output up to 1.5m wide
- + Wide variety of stocks
- + From hard copy & digital files

mounting and encapsulation

Our on-site facility can mount, seal, laminate or encapsulate your work, presenting it in the best way and protecting it from damage. Using a variety of materials and boards we can produce anything from the smallest badge to panels for exhibitions.

- + Kappa, polyboard & Foamex
- + Variety of finishes
- + Fast accurate turn around
- + Die cutting

print finishing

Utilising the latest finishing technology we can offer various types of book finishing, including wire, comb & perfect binding. All our finishing is produced to a high standard using creasing, perforating and folding machines where needed.

- + Perfect binding
- + Booklet making up to 1000 books per hour
- + Laminating
- + Comb & wire

plan printing

Plan printing can be anything from architectural plans and landscape designs to posters. Printing in black and white and up to and beyond A0 size, a print speed of 5.4 meters per minute can be achieved with jobs presented rolled or folded.

- + Fast turnaround
- + Reductions and enlargements of plans
- + Sizes up to A0 (+ up to 5000mm)
- + Printed from hard copy or digital file
